

INFINITY AIRWAYS - DOUBLE TAKE DERBY

Date: 22/12/24

Time: 20:00 UTC

For this thrilling event, pilots will be challenged to transport **two** VIP customers from **LCLK** to **LGSR**. The objective is simple: deliver these passengers in the shortest time possible. The first pilot to successfully complete the mission wins a **custom livery of their choice** (anything you want).

Event Rules

1. **ACARS Tracking**
All flights must be logged and performed using the ACARS system.
 2. **Scheduled Takeoff Time**
Departures are not permitted before the scheduled event start time.
 3. **Aircraft and Livery Restrictions**
Flights must be conducted using an aircraft from the Infinity Airways Fleet and an official Infinity Airways livery.
 4. **Speed Restrictions**
Pilots must adhere to the 250 knots speed limit below 10,000 feet.
 5. **Cruise Altitude**
A minimum cruise altitude of 30,000 feet must be reached during the flight.
 6. **Infinity-Express (F15) Special Rule**
Pilots using the Infinity-Express (F15) are required to complete the flight twice within the same timeframe, as it can only carry one passenger per flight.
 7. **Prohibited Actions**
Increased simulation rate and slewing are not allowed and will be flagged by ACARS.
 8. **Landing Requirements**
Landings must maintain a maximum vertical descent rate of 500 feet per minute (FPM).
 9. **Weather Settings**
Live weather must be enabled; however, any time setting is permitted.
 10. **Discord Participation**
Pilots using Discord are encouraged to be themselves! Say what you like—we're not easily offended and enjoy good laughs and banter.
